Three Bedroom
Furniture
Packages

Here at **Kicking Horse Interiors**, we have taken the strain out of furnishing your home by providing a variety of packages based upon style and budget.

All pieces have been carefully selected with quality, functionality and value in mind.

We have produced furniture options for one, two, three and four bedroom properties. These have three budget ranges and two different styles.

The budget ranges are:

Bronze – Includes pieces that have been chosen with style and value in mind.

Silver – Includes pieces that have been chosen with quality and functionality in mind.

Gold – Includes pieces that have been made using the finest of materials to give a long and useful life. The wood furnishings are handcrafted in British Columbia.

The two styles are:

Rustic – More traditional pieces that have passed the test of time.

Contemporary - mountain modern furnishings

All packages can be customised to suit your individual needs.
